

Wetland Delineation Training
Natural Resources Conservation Service
June 25-29, 2007
Redwood Falls, MN

Classroom sessions will be held at the Redwood Area Community Center just south of Highway 19 on the east edge of Redwood Falls, Minnesota. This building is “behind” WalMart and the Redwood Valley Lodge. Field exercises are on sites in Redwood County. Maps will be given to van drivers responsible for driving teams to the sites and commuters as needed.
